# PYTHON<sup>®</sup>

Python branded bicycles are guaranteed against manufacturing or material defects from the date of original purchase for a period of :

Steel hardtail frames with rigid forks	1 year
Alloy hardtail frames	1 year
Suspension frames	1 year

Provided the bicycle has been properly cared for, maintained and used and has not been fitted with parts other than a Python approved spare part. This guarantee does not cover normal wear and tear, alteration, accident, misuse, neglect, improper maintenance, racing, stunt riding or commercial use (e.g. Hiring).

All original parts including suspension forks and rear shocks are guaranteed for a period of one year or as specified by the component manufacturers. All suspension parts used in your Python bicycle are guaranteed by the specialist manufactures. Details of the UK and EIRE distributor can be obtained from your Python dealer.

Regular service is recommended to ensure roadworthiness and to prolong the life of your Python bicycle.

Python bicycles are guaranteed for normal off road use. Activities such as "Wheelies", stunt riding or jumping constitutes misuse and will invalidate this guarantee.

Under these terms, Python will bear the cost of replacement parts. Additionally labour charges incurred within one year of the date of the original sale will also be borne by Python, provided proof of purchase is available and the claim has been processed by an approved Python dealer. **PROOF OF PURCHASE IS THE OWNERS RESPONSIBILITY.**

This guarantee does not affect your statutory rights. In the event of a guarantee claim, consult the original selling dealer or your local Python agent. Taking the complete bicycle with you.

Python are continually developing their product range and therefore reserve the right to alter components and specifications without notice.

Please check and confirm the latest specification with your Python dealer before you purchase.
